CHRISTMAS IN ACTION

On April 27, four Tecumseh Kiwanis club members and 5 SHHS Key Club members along with several members of the Fairlawn Heights Wesleyan Church participated in Christmas in Action.

We painted the home of Ms. Barbara Johnson, who was very grateful and loved the color. Larry put

in a lot of hours getting the house ready to paint. Ken worked to rebuild the handicapped ramp. Mary, Tom, and Larry helped paint the East Topeka home and members of the SHHS Key Club painted the garage. Cindy brought lunch which was enjoyed by everyone. We started around 8am and finished by 3pm.

TECUMSEH PARK GETS NEW ADDITION

May 11 was a perfect day for the Tecumseh Park clean up, and play tube installation. Seven Kiwanis members, 6 Key Club members plus their faculty sponsors Kevin Johnson, and Kate Harland participated in the project. The key club members, and their advisors painted the Merry-Go-Round, then helped Kiwanis members rake leaves. Kiwanis members along with the help of 4 men from the Tecumseh Township including Supervisor Roy Malloy, assembled and installed the play tube. Steve Hennessey provided the auger for drilling holes for the tubes legs. The township prepared the site for the tube, and provided the edging and mulch. A picnic lunch was provided by the Tecumseh Kiwanis Club. We started about 8am and were done around 2pm.
