Tecumseh Community Park Shelter Dedication

It was standing room only for the official dedication of the new Tecumseh Park Shelter House on March 25, 2017. An estimated 200 community members turned out to see the completed shelter and enjoy a free lunch of pulled pork, with all the trimmings. Ken Ertl, master of ceremonies for the event, welcomed and thanked all who donated to the project. Special thanks went to Roy Malloy, Tecumseh Township supervisor for being the project manager. He did an outstanding job making sure all details, large and small were attended to, and that the shelter was completed according to plans. From start to finish the project took almost 2 years to complete at a total cost of around \$150,000.00 The Tecumseh Park Shelter will be a lasting legacy of cooperation between the Tecumseh Kiwanis Club, the Tecumseh Township, and the Tecumseh community.
