Income \$783.75

Expense \$279.69

Kiwanis Profit \$275.44

123 meals were served

## Tecumseh Park Shelter Update

Progress on the shelter is moving along quickly. Many changes have taken place. It will soon be time for us to work on finishing, and painting the drywall. If you haven't seen the shelter lately, drop by, and see the progress for yourself; after all you made it happen.

## Service Hours report

Since October, 2016 Tecumseh Kiwanis members preformed 378 hours of community service. Great work everyone.

## Winter Wonderland

Despite the weather conditions, on the evening of Dec. 4, 2016 10 club members manned the gate at Winter Wonderland. The Christmas light display, located at Lake Shawnee, is a fundraiser for TARC. Members took donations, sold Santa's magic glasses, and directed traffic. Approximately 160 car loads of holiday revelers passed through the beautiful light show that night. Thanks everyone.

What a great service project.

## Doing the Most Good

Ringin Bells for the Salvation Army's Red Kettle Campaign has become a tradition for the Tecumseh Kiwanis club. Club members rang bells Sat. Dec. 16, 2016 at Walmart East, from 9am-6pm. Many people took the time from their shopping to drop money into the kettle to help those less fortunate. Thanks to all who helped with this project.

## Warm and Healthy

Club members donated generously to the Warm and Healthy project. This Christmas project benefits students and staff at Tecumseh North and Tecumseh South elementary schools. 21 pairs of gloves, 16 hats, 44 boxes of facial tissue, 10 containers of disinfectant wipes, and 13 bottles of hand sanitizer were collected. Items were sorted, divided between the schools and delivered Dec. 22.
