New playground for Tecumseh United Methodist Church

Church members, members of the Shawnee Heights Fire department, Kiwanis members, and local volunteers gathered March 24 to erect a new playground at the Tecumseh United Methodist Church. The playground has two slides, a climbing ramp, and swings for infants and preschoolers. A "cocoon" for youngsters to crawl into, will be installed at a later date. The build started at 7am and was

completed by 4pm. Church members provided a warm hearty lunch to keep everyone going throughout the cold damp day. This playground is a welcome addition to the TUMC and will give the children a safe, fun place to play.

Triangle Park Clean-Up

The Oregon Trail Triangle park received a spring clean up Sat. March 17th. Tom, Georgia, Debbie, Diana, Ken, and Mary trimmed bushes, planting beds were weeded, the grasses around the Oregon Trail Monument were divided and replanted, and mulch was put down. Thanks to Debbie and Diana

the dirt in the flower beds around the flag pole was improved with peat moss and fertilizer, then planted with Pansies. Recently the grass was fertilized and mowed. The Triangle Park is a beautiful welcome to all who enter Tecumseh.
