## November Meeting

Scott Dial served double duty as the program chair and the speaker at our November meeting. As principal of Tecumseh South Elementary School, Scott gave us an update on how the school year is going. The Covid pandemic appears to have affected not only student learning but also their social skills. Both areas seem to be getting back to more normal areas. Increased staffing has created crowded conditions at the school due to lack of work space. These shortages may need to be addressed in the near future. Larry provided dessert for the meeting.

## Upcoming Programs

December 14  
Program Chair - Larry  
Desserts            - Cindy and Larry

January 11  
Program Chair - Mary  
Desserts            - Denise

February 8  
Program Chair - Cindy  
Desserts            - Ashli

## Community Dinner

The next Community Dinner will be on December 7 from 5 until 6:30 PM and the menu will feature a meatloaf dinner.

**Kiwanis, serving the children of the world.**

## Tecumseh North Courtyard

The club has about finished up our part of the outdoor learning center in the courtyard area at Tecumseh North Elementary School. Thanks to all who helped power wash, clean, hang a ladder, seal cracks in the concrete, stain the concrete, and install the umbrellas that the club purchased for the picnic tables. Aydin Eisenbarth is going to provide storage areas as his Eagle Scout project to finish the area. Please see page two for some before, during and after pictures.

## Bell Ringing Opportunity

Each year the club volunteers to ring bells for the Salvation Army. This year we have chosen the east door of Dillon's East close to home. They only have two hour blocks of time so we are signed up to ring from 11 AM until 3 PM on Saturday, December 17. Hopefully people will have the Christmas spirit by that time. If you have already arranged to ring with someone, please choose a time that fits both of your schedules. There is an online signup sheet that can be accessed at [signup.com/go/xbZrikn](http://signup.com/go/xbZrikn) where you will be able to enter your name and the shift for which you would like to volunteer. If this seems too high tech, just let Larry know your choice and he will enter it for you.

## Winter Wonderland

In the past we have taken tickets for Winter Wonderland. Last year they did not need any more volunteers so we sat that one out. This year they are very close to having all slots filled. The only dates left were December 21, 23, 24, and 30. It may be that we need to consider searching for a date earlier next year.
